AWWA Membership

Water Knowledge, Resources, and Community

Is your organization a:

- ▶ Small Water System
- ▶ Water Supplier
- ▶ Wastewater System
- ▶ Water Wholesaler
- ▶ Contract Operations Firm
- ▶ Stormwater Treatment Facility
- ▶ Water Reuse Organization

For your day-to-day challenges as a water utility, AWWA membership is the solution.

Your Source for Total Water Solutions®

Today's water professionals must increasingly understand water in all its stages. AWWA provides Total Water Solutions® to help you effectively and efficiently manage water from source to tap and to its reintroduction into the environment.

With 50,000 members, AWWA provides solutions to improve public health, protect the environment, strengthen the economy, and enhance our quality of life.

Stay Informed

As part of the AWWA community, your utility has access to the latest approaches for addressing water infrastructure, quality, distribution, sustainability, and more.

Learn and Grow

Enhance your utility's leadership skills and technical knowledge with conferences and educational opportunities. Connect with water sector peers and leaders at global and local events. Find qualified talent using the AWWA Career Center, and access training and technical resources to help your employees earn continuing education units (CEUs) at member-exclusive discounts.

Shape How Water Works

AWWA represents the collective voice of its 50,000 members on legislative and regulatory issues affecting the water sector. Utilities benefit from our efforts to advance smart water policy that reflects sound science.

Save Time and Access Technical Resources for Less

Ensure your decisions and operations are informed by AWWA's Standards and best practices.

- Find vital information fast at awwa.org.
- Enjoy a member-exclusive, first-hand look at reports and tools developed to strengthen your water sector knowledge and operations.
- **Save up to 33%** on training materials, AWWA Standards, manuals and continuing education units (CEUs) for yourself and your staff.

Utility Advisories

Be prepared with breaking news about important regulatory developments and bi-weekly analysis of the water policy landscape:

- **Regulatory and Legislative Alerts**—AWWA keeps you current on proposed policy that will impact your operations:
 - Stay current on the effect of regulatory decisions.
 - Share your comments with appropriate agencies.
 - Help shape smart water policy based on sound science.
- **Public Affairs Advisories**—Stay informed on water-sector news that garners media attention. Advisories often include language and strategies your utility can use when responding to media and public inquiries.
- **Water Utility Insider™**—A member-exclusive utility e-newsletter that provides a behind-the-scenes look at water policy developments that may affect your operations.

AWWA Standards

Ensure your operations are among the industry's best. AWWA currently produces 172 ANSI-certified Standards:

- Trusted by thousands of water utilities, distributors, and manufacturers worldwide to ensure the highest-quality products and services.
- Available at up to 33% off, or for free, using your utility Plus Points!

Plus Points*

Your utility is awarded a number of Plus Points based on size. Spend your points on the benefits that are most valuable to you, including AWWA Standards subscriptions or additional individual memberships for your staff.

* Only utilities with greater than 5,000 customer service connections are eligible for Plus Points.

** All members outside North America, student members, and members with APO/FPO addresses will receive e-periodicals only. Print periodicals may be purchased for an additional fee.

Award-Winning Publications**

AWWA publishes two monthly periodicals to keep you informed about new and recognized best practices in the water sector:

“AWWA Standards are invaluable to large utilities, small utilities, and consulting firms ... it’s just a great way to start any project you’re working on.”

Benefits

As an AWWA member, your organization is awarded a specific number of Plus Points based on size. You will “spend” the points on Standards Subscriptions or additional Individual Members.

▶ AWWA Standards Subscriptions

AWWA Standards are recognized as the consensus standards for products and procedures used in the treatment and supply of water. A Standards Subscription supplies you with all updates distributed in a given year.

▶ Individual Memberships (A3)

You can select and assign Individual Membership to employees. While all employees will enjoy member pricing, Individual Members receive the full benefits of membership, including periodicals and Section membership.

If you have chosen additional Individual Members with your Plus Points, each member may be subject to Section dues.
